DIARY NOTES

25X1A

ADD/A (Colonel Whit [REDACTED])

12 May 1952

1. Dr. Tietjen reports that he has obtained from the U. S. Public Health Service a competent psychiatrist who will report to the Agency on 1 July on a loan basis; details are being worked out by Personnel.

25X1A9a

2. Approved of a \$2,000 expenditure for [REDACTED] in connection with a project already approved by Mr. Dulles but which required DD/A approval because the rate at which an individual was to be paid exceeded the GS-15 level.

3. Requested Jim Garrison to call a meeting tomorrow of Cover Division and OPC representatives for the purpose of drafting a paper to the Director stating what we could and could not do with the remaining hardware money and making appropriate recommendations.

4. Reviewed the staff study on calling reserve military personnel to active duty with CIA and suggested a minor revision; it should be ready in a day or so.

25X1A9a

5. [REDACTED] Chief, SE Division, explained the circumstances necessitating the expenditure of \$50 by [REDACTED] and I released the memorandum authorizing reimbursement which Mr. Wolf had already signed.
